We are your resource for a variety of opportunities. Below are just a few of the programs and services that you can find from the chamber staff. Looking for other items not listed? Let's talk and see if we can make it happen! The Chamber's MISSION is to actively assist area businesses to achieve their full potential and promote the economic viability of this beautiful area. We want to be YOUR business resource!

Following are just some of the benefits of membership in the Cameron County Chamber:

[FREE & IMMEDIATE WEB PRESENCE:](#)

The use of the internet to find businesses addresses, phone numbers, order items and seek providers of services continues to explode. We immediately add your contact information to our website:

www.cameroncountychamber.org. If you have a website, Facebook or e-mail, we **link you for FREE**.

[REFERRALS:](#)

Daily the chamber staff fields questions about the opportunity to purchase goods and services. As a chamber member we will **provide your information to that possible customer**. Inside the chamber office a large brochure rack is available for members to stock brochures, pamphlets, fliers and business cards. Oftentimes a request is made to mail information.

[SEMINARS:](#)

This is one of the Chamber's very important functions; allowing our businesses to keep up to date with the latest trends and opportunities. In 2019 the chamber hosted seminars on medical marijuana in the workplace, marketing a small business, questions for a tax accountant and developing a business plan. It is hoped that in 2020 a countywide business marketing series will be offered by Clarion University Small Business Development Center and an HR seminar regarding Chamber Choice benefit packages.

[AREA MEMBER NEWS:](#)

The Cameron County Chamber of Commerce encourages you to share your business and employee success stories. **Staff can write news releases and distribute statewide** to newspapers, web bloggers and radio stations. This is a fantastic marketing tool to attract employees.

[AREA TOURISM BUREAU:](#)

We are the **branch of our regional tourism bureau**, the PA Great Outdoors Tourism Bureau. We send out thousands of pieces of information each year to prospective visitors and residents. The chamber web page hosts the county wide event calendar. In 2019 PA Great Outdoors distributed more than 4,000 copies of a brochure and map highlighting trails, events and businesses in Cameron County.

[ELECTRIC, NATURAL GAS, AND COMMERCIAL INSURANCE POOLING:](#)

The Cameron County Chamber of Commerce is a member of Chamber Choice. This organization teams with large providers and can offer competitive rates through Kinect Energy, and Penn National Insurance. The chamber is currently embarking on a program with Kinetic by Windstream which may offer savings on fiber optic and phone services. Chamber Choice also offers dental, perscription and vision programs along with life and disability insurance. There are programs designed to **allow businesses the opportunity to offer competitive benefit packages to employees**.

[SOCIAL MEDIA:](#)

Each year the number of users of social media grows. A presence is imperative in the competitive market. **The chamber staff will design a website, Facebook page, Pinterest and Instagram accounts for FREE!**

[PARTNERING EVENTS:](#)

The chamber organizes 8 events throughout the year aimed at providing activities for residents and attracting travelers to Cameron County. When searching for vendors to provide services, members are approached first. Oftentimes there is the opportunity for full sponsorship of an event.
